Engineer's Estimate: Not available for this project.

Pre-bid Conference Info

A voluntary Pre-Bid Conference of all prospective Bidders and/or their representatives will be held at Well No. 4, 141 Prairie Street, Genoa, Illinois on Tuesday, September 10, 2019 at 10:00 am local time. Bidders are strongly encouraged to attend and participate in the conference.

Description of Work

The proposed construction consists of the installation of a diesel generator in a weatherproof enclosure, automatic transfer switch, replacement of the existing motor control center including connection to all existing building loads, and all necessary appurtenances as well as surface preparation, collection and disposal of surface debris, painting and other miscellaneous items of work.

Information for Bidders:

Copies of the Bidding Documents may be **obtained** from BHFx Digital Imaging, www.bhfxplanroom.com, upon a non-refundable payment of \$50.00 per set.
