

Madison Metropolitan Sewerage District
Southwest Interceptor Haywood Drive Replacement
January 17, 2019/2:00 P.M.

Project Engineer: Mark Kolczaski, 608.277.1230 Ext. 3359
Email: mkolczaski@baxterwoodman.com

Engineer's Estimate: \$1.5M

Information for Bidders: The District has chosen to implement online project bidding using the Quest Construction Data Network (Quest CDN). For this contract, the District will only accept electronic bids submitted through Quest CDN at www.questcdn.com. Hand-delivered or paper proposals will not be allowed.

Complete digital project bidding documents will be available approximately Thursday December 13, 2018 at www.questcdn.com. Bidders may download the digital plan documents for \$25 by inputting Quest Project #6014316 on the website's project search page. Please contact QuestCDN.com at 952-233-1632 or info@questcdn.com for assistance in free membership registration, downloading, and working with this digital project information. No paper Plan Documents will be provided.

Description of Work: The proposed construction consists of 1,400 lineal feet of 36-inch sanitary sewer on Haywood Drive, between N. Wingra Drive and W. Shore Drive in the City of Madison. The Contractor shall provide all materials, labor, equipment, and services necessary for sanitary sewer installation including erosion controls; traffic control; dewatering; granular backfill; manholes; 82 lineal feet of 54-inch jacked casing; cast-in-place structures; concrete and asphalt pavement restoration; lawn restoration; and other miscellaneous items of work.

The list of planholders can be viewed at www.questcdn.com.
