2019 Sanitary Sewer System Rehabilitation
~~August 2, 2019 / 10:00 A.M.~~ **August 16, 2019 / 10:00 A.M.**

Project Engineer: Peter Kozak 815.444.3394
pkozak@baxterwoodman.com

ADDENDUM NO. 1 ISSUED JULY 29, 2019

ADDENDUM NO. 2 ISSUED AUGUST 1, 2019

Engineer's Estimate is not available for this project.

There is **no** Pre-Bid Conference for prospective Bidders or their representatives.

Description of Work

The proposed construction consists of installation of approximately 5,000 feet of manhole-to-manhole sanitary sewer lining, ranging in size from 10-inch diameter to 24-inch diameter, with cured-in-place pipe (CIPP), one excavation and replacement point repair, replacement of approximately 20 lineal feet of 12-inch sanitary sewer, interior manhole sealing, three sealing of lateral connections, and other miscellaneous items of work.

Information for Bidders

All pertinent documents may be **examined** at the Village Hall at 5819 Electric Avenue, Berkeley, Illinois 60163.

Copies of the Bidding Documents may be **obtained** from the Engineers, Baxter & Woodman, Inc., upon a non-refundable payment of \$50.00 for Specifications and Drawings only, or a non-refundable payment of \$100.00 for Specifications, Drawings, and a USB flash drive containing televising videos of all sewers to be lined. Documents can be purchased only at the Chicago office at 8430 W. Bryn Mawr Avenue, Suite 400, Chicago, Illinois 60631 Monday through Thursday.
