

Village of Round Lake, IL
2020 Sanitary Sewer System Televising
March 10, 2020 at 10:30 AM

Project Engineer: Kaitlin A. Kublank – Phone Number: 815-444-3256
Email: kkublank@baxterwoodman.com

Engineer's Estimate not available.

Description of Work

The proposed construction consists of internal sewer television inspection of approximately 80,235 linear feet of sanitary sewer ranging in size from 6-inch to 24-inch diameter. Work includes preparatory light cleaning, and two additional categories of preparatory cleaning which are root removal and heavy cleaning, for the purpose of determining the condition of the sewers and identifying critical pipes for repair.
