Engineer's Estimate is \$8.1 Million

A Pre-Bid Conference of all prospective Bidders and/or their representatives will be held at the Water Reclamation Facility, 299 Glen Ellyn Road, Bloomingdale, IL on July 21, 2020 at 2:00 P.M. Bidders are encouraged to attend and participate in the conference.

**Description of Work**

- a. New Screen and Grit Building with reinforced concrete foundation, masonry walls, precast concrete roof slabs, and wastewater treatment equipment including two new mechanically cleaned screens, two screenings washer-compactors, one grit tank, one grit separation/classification/dewatering unit, and slide gates.
- b. Conversion to Disc Filters including removal of existing traveling bridge sand filter equipment, modifications to existing reinforced concrete structure/masonry Filter Building, and provision of new disc filter equipment.
- c. New non-potable water pumps in existing Primary Sludge Pump Building.
- d. Associated electrical, excavation, grading, paving, and other miscellaneous items of work.

**Information for Bidders:**

Copies of the Bidding Documents may be **obtained** from BHFx Digital Imaging, [www.bhfxplanroom.com](http://www.bhfxplanroom.com), upon a non-refundable payment of \$225 per set. **Documents can be purchased only through BHFx Digital Imaging.**
